MEMORANDUM FOR: Director of Training

50X1

SUBJECT : Midcareer Course No. 1

1. I have reviewed the tentative schedule for Midcareer Course No. 1, and it looks all right to me. I have also discussed it generally with General Carter whose only comment was, "It sounds all right, but remember that this has to be as good or better than anything done by the war colleges, and we should spare no effort in making it the best program ever put on by the Agency."

2. I have already set aside 7 October so that I can devote the full day to the program, and will probably plan to go down to [] on the 6th. If, in addition to this, there is anything further I can do by way of assistance, or that you wish the DCI or DDCI to do, please advise. I plan to have the DCI, if he is willing, and I am quite certain he will be, advise the Executive Committee meeting early in September of the great importance that he attaches to this course.
